SUMMER of the ARTS

2022 FINANCIAL INFO

INCOME

From the Executive Director
Lisa Barnes,

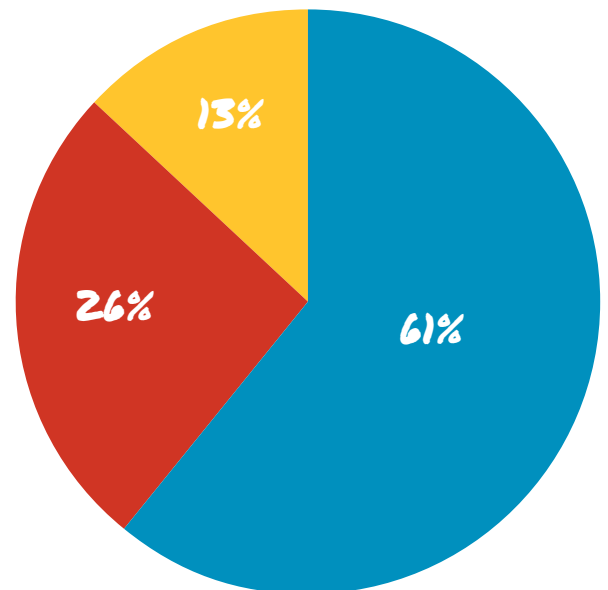

2022 saw us return to a more complete schedule since the pandemic limited our ability to provide large, public events. We were thrilled to see people coming back together in downtown Iowa City and in our neighborhood parks to enjoy live music, visual arts, movies and more!

Summer of the Arts is dedicated to building community through arts access and providing unique opportunities for people to experience the arts in a variety of ways and environments. We're proud to bring world-class musicians to our festivals and support local musicians through many of our events and programs.

In 2023, we will celebrate the 40th anniversary of the Iowa Arts Festival and the 30th anniversary of the Friday Night Concert Series. We hope you'll continue to support us and join us for 20 weeks of outdoor fun and entertainment this summer, plus the Holiday Thieves Market December 9-10 at the Hyatt Regency in Coralville.
